

March 20, 2020

Lincoln Community Center Supporters,

“We at Lincoln Community Center so appreciate your friendship and support. We pray that you and your family are well during this virus pandemic. LCC is “closed” but our work as a “safe haven” and “true community center” goes on. Please see the attached information which outlines some of what the LCC team with support of our partners, like you, is doing to serve our users, the neighborhood and the community at this difficult time”.

It is the LCC’s pledge to do our part to help our community as much as possible due to the effects of COVID-19. Please let our office know of any needs you may have and, as always, LCC will do our best to get them met. For the time being the LCC office will be available via phone at 937-335-2715 from 10am to 2pm Monday through Friday.

Sincerely,

Shane Carter
Executive Director
