

During this time when the basic necessities are scarce, Lincoln Community Center will be doing what we do best – serving the children and families in our community. LCC will be partnering with the Troy City Schools to offer a station to serve bagged lunch and breakfast meals to all youth in our area from 12p.m to 12:45p.m Monday through Friday. We will also be including a one-liter bottle of water to each child receiving the meals.

A big thank you to Rich Roofing and OH2O for donating the water to LCC. A special thanks to Carlos Wood for bringing this all together for our community.

If we need to deliver meals should the need arise, LCC has plans in place to make that happen.

If you have any questions or further need, please feel free to contact the office Monday through Friday from 10a.m to 2 pm.

It is the Lincoln Center's pledge to do our part to help our community as much as possible due to the effects of COVID-19. Please let our office know of any needs you may have and, as always, LCC will do our best to get them met.

Sincerely,

Shane Carter  
Executive Director
