- Slab on Grade Pours Scheduled for late July. Project is going well and is on schedule.

If you have questions, please contact Shane Carter, Executive Director, at (937) 335-2715 or scarter@lcctroy.com.

The result of lengthy and thorough planning, the construction of new additional space for LCC will add 21,803 square feet of programming/activity/workspace with ADA compliance and additional parking. The cost is \$3.8 million dollars. Included in the space will be:

- A high school regulation size gymnasium
- Lobby/reception area
- Program/activity rooms
- Exercise area/locker rooms/showers
- Staff offices/work area
- Storage
- Kitchen/concession area

The space in the current building will be refreshed and continue to be used as well.
